This site is divided into three parts. The first is “Introduction” and **“how to use this sight”**.

The second part is **“Area”** which divides Japan into 6 areas and introduces each area’s festivals, towns to visit, etc.

The third part is **“Reference”**. This section will help you to understand more deeply about the festival performances and other aspects of the festival. **Japan mythology**“, **“easy made Japanese history”** and **“What’s Kagura?”**
